

STRENGTHENING RELATIONSHIPS

A BCMPEACE CORE VALUE

PATHWAY TO PROSPERITY

is a program that focuses on working **alongside** our neighbors in South Allison Hill on their path to **self-sustainability**. We assist with an emergency need and then look at other needs they may have and work with them through **relationship building** and **life skills** trainings to make sure they can meet these needs. The goal is they eventually become **engaged** in their community as **leaders**. This program is all about the relationships build and strengthen with our neighbors!

All monies donated this week will go towards our Pathway to Prosperity Program

HAVE A PEACE OF PIZZA
